Strathcona Industrial Association

Five Points for Emergency Preparedness

- 1. Know your emergency routes and exits. Practice them regularly.
- 2. Know the location of fire extinguishers and fire alarm pull stations.
- 3. Know the location of first aid kits and first aiders.
- 4. Know the location of spill kits and spill responders.
- 5. Know the location of emergency shut-off valves and emergency stop buttons.

SDMAP

Strathcona District Mutual Assistance Program

SDMAP is a voluntary program that provides mutual assistance to members in the event of a disaster. Members can help each other with tasks such as:

- Evacuation assistance
- Transportation to shelters
- Providing food and supplies
- Providing temporary housing
- Providing financial assistance

For more information, contact your local SDMAP coordinator.

SHELTER-IN-PLACE

In Case of a Chemical Emergency

1. Go inside. Turn on local radio/TV.
2. Close all windows and doors.
3. Turn off exhaust fans.
4. Listen to radio or TV for further instructions. Keep phone lines free.
5. If odour is strong, seal an inside room with wet towels at base of door. Breathe through a damp towel to filter air.

911 should be called only for emergencies.

We would like to HEAR FROM YOU!
